

RENT DROP BOX CLOSING

FREQUENTLY ASKED QUESTIONS (FAQS)

When is the drop box closing?

The rent drop box at 450 N. Church St. (GHA's Central Office) will close on **May 31, 2026 at 4 PM**. After this time, payments will not be accepted in the drop box. Please make sure you use one of the new payment options listed below.

Why is the drop box closing?

The drop box is being removed to make rent payments more secure, faster to process, and easier to track. These new options will help make sure your payment is received and recorded on time.

What are my options for paying rent?

You have several ways to pay your rent. You can pay online using Rent Café using a bank transfer (ACH), debit card, or credit card. If you are already using eBill Express, you may continue to use it at this time.

If you prefer to pay in person, you can use WIPS (Walk-In Payment System) at approved locations in Greensboro. Please note: payments can no longer be made at 450 N. Church Street after May 31, 2026.

You can also mail a check or money order. Continue using the address on your return slip to mail payments at this time. A new mailing address for check and money order payments will be provided before May 31, 2026. The remittance slip must be returned with all mailed payments. Be sure to also include your name and address on the check or money order so we can correctly apply your payment to your account.

What is GHA's preferred way to pay rent?

GHA recommends using Rent Café, especially if you are setting up a new way to pay your rent. Rent Café is easy to use and offers a free payment option when using your bank account.

If you are already using eBill Express, you may continue to use it at this time. However, GHA plans to move all payments to Rent Café in the future.

Do I need a bank account to pay my rent?

You will need a bank account if you want to pay online through Rent Café using a bank transfer (ACH) or debit card.

You do not need a bank account if you pay with a credit card, but there are third-party fees for both debit and credit card payments.

If you do not have a bank account, you can still pay your rent by using WIPS (Walk-In-Payments at approved locations) or by mailing a money order. If you mail a money order, the remittance slip must be returned with all mailed payments. Be sure to also include your name and address on money order so we can correctly apply your payment to your account.

Some payment options have fees, depending on how you pay. GHA does not charge these fees. All fees are charged by a third-party vendor.

\$9.95 for payments over \$2,000

If you pay with a credit card, there is a 2.5% fee.

How do I sign up for Rent Café?

FREQUENTLY ASKED QUESTIONS (FAQS)

What is WIPS and how does it work?

WIPS stands for Walk-In Payment System. It allows you to pay your rent in person at approved retail stores in Greensboro— not at your property management office or GHA's central office. To use WIPS, you will need your WIPS number, which will be sent to you in your email. Take that number with you to a payment location to make your payment. Please note that at participating CVS locations, cash payments over \$200 require a valid ID. Be sure to keep your receipt as proof of payment.

Can I still pay by check or money order?

Yes. You can mail a check or money order to the new address that will be provided before May 31. The remittance slip must be returned with all mailed payments. Be sure to also include your name and address on the check or money order so we can correctly apply your payment to your account.

Can I make a partial payment?

No. GHA does not accept partial payments. The full rent amount must be paid.

When will my payment show up on my account?

Payments are applied to the account within minutes of payment for all payments except mail. Mailed payments show up on the account within 24 hours of the payments being received.

Can I pay with cash?

Cash payments are only accepted at WIPS locations. Remember that cash payments over \$200 at participating CVS locations require a valid ID.
